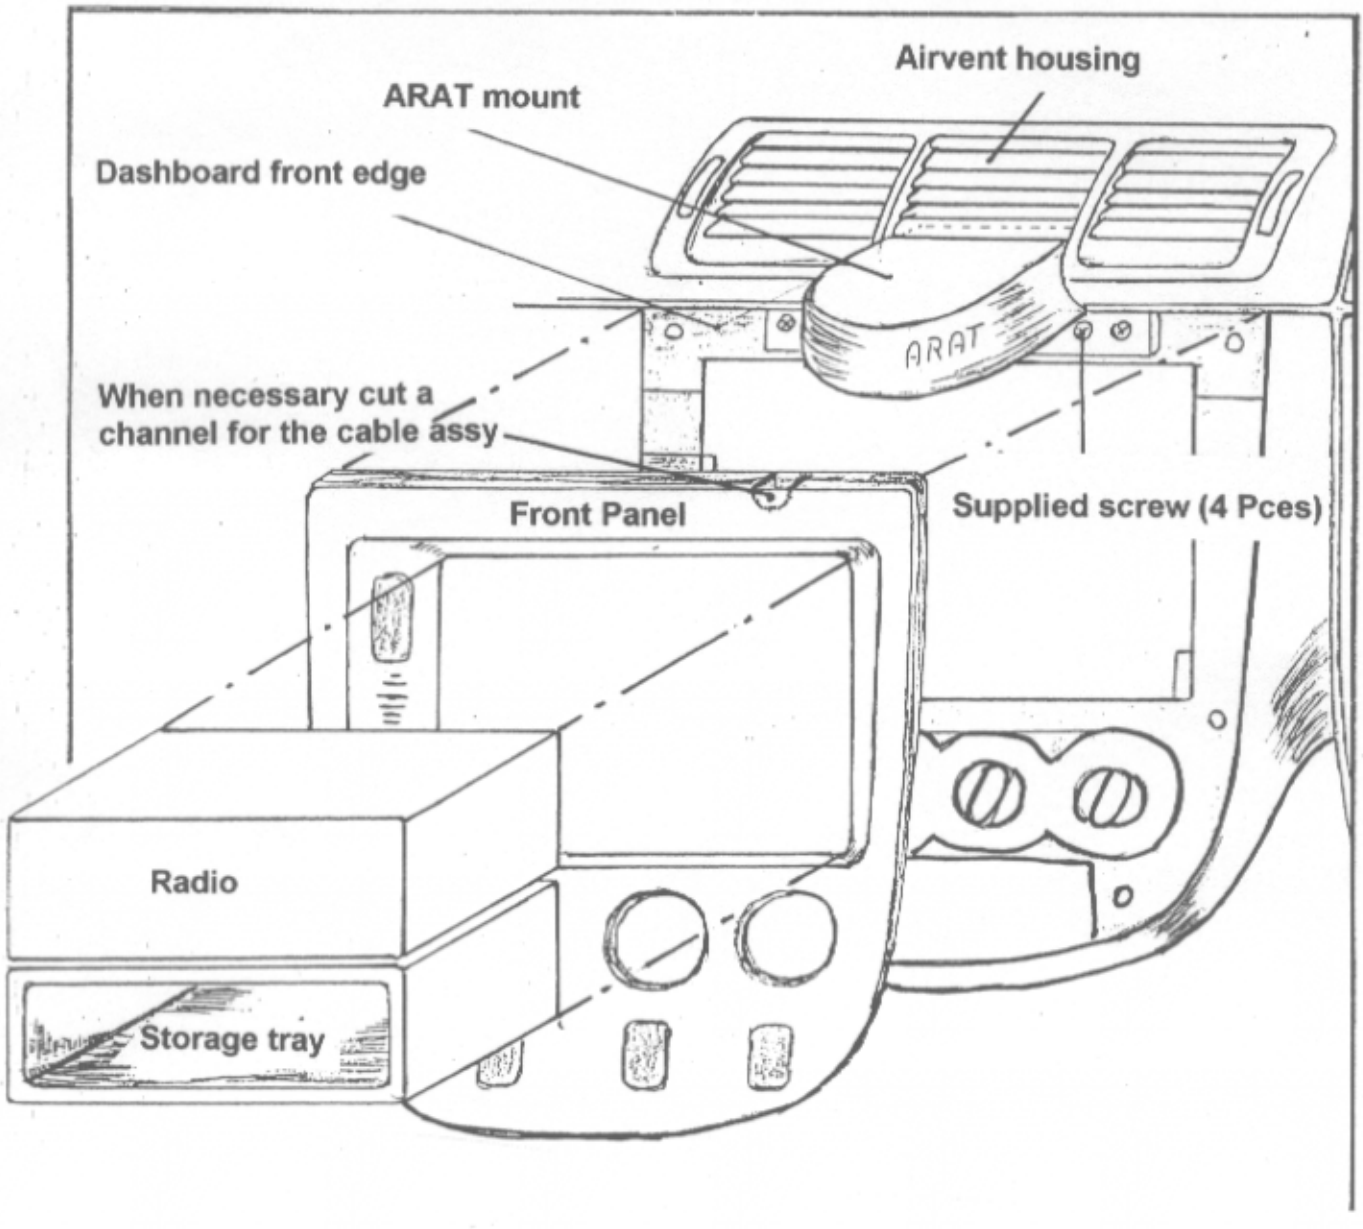
ARAT Navigation Mount

Car Manufactureer: Mercedes

Type: M-Class

Part No: NS1257

ARAT GmbH
Spezialhalterungen
für Autotelefone u.-Navigationssysteme



Installation instruction:

Remove the Radio and Storagetray from the dashboard, remove the front panel (it is only a push fit)
Place the vanes of the middle airvent grill in the flat position, and slide the ARAT mount into the airvent assembly, secure the metal bracket with the supplied screws into the dashboard front edge
You may cut a small channel in the front panel for the cable assembly
Repalce the front panel radio and storage tray assemblies
